## **QPONICS APPOINTS A NEW DIRECTOR**

Qponics is pleased to announce the non-executive appointment of Melbourne-based Dr Anthony Filippis to its Board of Directors.

Anthony is an experienced biotechnology business executive with specialist knowledge in business and corporate development. He is Co-Founder and Partner at Afandin Pty Ltd, a biotechnology-focused corporate advisory firm specialising in assisting life science companies with their corporate strategy, business and corporate development and capital raising processes.

Anthony has held a number of senior executive roles within ASX-listed and private biotechnology companies. As Head of Corporate Development at Meditech Research Limited, he was involved in the successful completion of Australia's first merger deal between two publicly traded biotechnology companies - Meditech Research Limited and Alchemia Limited. Previously, Anthony held positions at management consulting firm KPMG, and the Victorian State Government's biotechnology commercialisation team.

Anthony holds a PhD in biochemistry from the University of Melbourne and an MBA from La Trobe University.

Mr Geoff Wilson, co-founder of Qponics, has retired as a Director of Qponics. Geoff will remain on the team as a communications consultant.
